Financial Policies

Element Wellness & Sports Rehabilitation welcomes you as a new patient. If you have any questions regarding our office policies, please ask any of our front desk staff for clarification prior to initialing.

Please initial each of the following:

_____**Cancellation Policy:** We require 24-hour notice for cancellations and rescheduling of appointments. (example: if you have an appointment at 9am on Monday, you must call by 9am Friday to cancel and avoid paying a fee). If your appointment falls on a Monday or after a Monday holiday, you must cancel the weekday prior. **CANCELLATIONS CANNOT BE DONE VIA EMAIL.** If you fail to cancel 24 hours prior to the appointment, a charge of $80 will be assessed to you, due prior to the start of your next visit. You will be personally responsible for the fee; it cannot be billed to your insurance company. Should you choose to take advantage of our package pricing on physical therapy, you will forfeit a full visit from your package. If three appointments are cancelled without 24-hour notice within one calendar year, we reserve the right to discontinue care. In this case, you may be eligible to continue care at our Pay at Time of Service rate and will be charged the full cost of the appointment for any further late cancellations.

_____**Tardiness Policy:** The appointments you schedule with your provider are your designated treatment times. As a result, tardiness will impact your care and must be avoided as much as possible. Appointments will not be extended to compensate for tardiness. After 3 tardy occurrences, a $40 fee will be charged if you are 15 minutes late and an $80 fee will be charged if you are 30 minutes late. This fee cannot be charged to insurance and must be paid on the date of your treatment. If you are 15 minutes late or more, you are still responsible for the full price of your appointment.

_____**Collection Policy:** We charge 3% monthly interest for all unpaid balances over 90 days. If an account is over six months delinquent, it will be subject to legal collection with an added 40% collection fee. The key to avoid this situation is **communication**. WE WILL WORK WITH YOU! Just talk to us. If an account is sent to collections, your payment must then be paid directly to the collection agency.

_____**Returned Check Policy:** Element Wellness & Sports Rehabilitation has a $35 fee for all returned checks.

Please verify that you understand all of our office policies by signing and dating below.

Informed Consent to Chiropractic Treatment

I, _____ _____, hereby request and consent to the

(Name of Patient) (Date of Birth)

performance of the chiropractic adjustment and other chiropractic procedures, including examination tests, and physical therapy techniques, on me (or on the patient named below for which I am legally responsible) which are recommended by my Chiropractic Physician and/or other licensed doctors of chiropractic medicine who now or in the future render treatment to me while employed by, working for or associated with, or serving as back-up for my Chiropractic Physician at Element Wellness and Sports Rehabilitation.

I understand that, as with any health care procedure, there are certain complications, which may arise during a chiropractic adjustment. Those complications include but are not limited to: fractures, disc injuries, dislocations, muscle strain, Homer's syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck leading to or contributing to serious complications including stroke. While these complications are very rare, soreness may be the only complication following a treatment. I do not expect the doctor to be able to anticipate all risks and complications and I wish to rely on the doctor to exercise judgment during the course of the procedure(s) which the doctor feels at the time, based upon the fact then known, and are in my best interest.

I have had an opportunity to discuss with my Chiropractic Physician and/or with office personnel the nature, purpose and risks of chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I have read ( ) or have had read to me ( ) the above explanation of the chiropractic adjustment and related treatment. By signing below I state that I have weighed the risks involved in undergoing treatment and have, myself decided that is in my best interest to undergo the chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment in this office.

I understand that I can provide written notification to remove my consent for treatment at any time.

DO NOT SIGN UNTIL YOU HAVE READ AND UNDERSTAND THE ABOVE.
