

## Notification of Patient Responsibility

\_\_\_ **Pay at Time of Service Agreement:** \_\_\_ Physical Therapy \_\_\_ Chiropractic

You must pay in full for all services rendered. As long as you pay in full upon each visit and keep your balance at zero, you will receive a discount from our billed charges. A written copy of the fees for specific services provided at Element Wellness & Sports Rehabilitation is available upon request. The cost per visit is dependent upon the specific modalities/treatment performed and all fees are subject to change. In the event that Element Wellness & Sports Rehabilitation increases the pay at time of service fees, notification will be clearly posted in the office as to the new fee schedule and the date the increase will take effect. We also offer a package discount on physical therapy services. Please inquire with front office staff if interested.

\_\_\_ **Insurance Billing Agreement:** \_\_\_ Physical Therapy \_\_\_ Chiropractic

We check your benefits online in order to collect appropriately at the time of service. You are ultimately responsible for any account balances not covered by your insurance carrier. Please contact your insurance company for detailed benefit information. If you have questions about your benefits, our staff is happy to answer questions to the extent to which we know your benefits.

### Financial Policies

Element Wellness & Sports Rehabilitation welcomes you as a new patient. If you have any questions regarding our office policies, please ask any of our front desk staff for clarification prior to initialing.

**Please initial each of the following:**

\_\_\_\_\_ **Cancellation Policy:** We require 24-hour notice for cancellations and rescheduling of appointments. (example: if you have an appointment at 9am on Monday, you must call by 9am Friday to cancel and avoid paying a fee). If your appointment falls on a Monday or after a Monday holiday, you must cancel the weekday prior. **CANCELLATIONS CANNOT BE DONE VIA EMAIL.** If you fail to cancel 24 hours prior to the appointment, a charge of \$80 will be assessed to you, due prior to the start of your next visit. You will be personally responsible for the fee; it cannot be billed to your insurance company. Should you choose to take advantage of our package pricing on physical therapy, you will forfeit a full visit from your package. If three appointments are cancelled without 24-hour notice within one calendar year, we reserve the right to discontinue care. In this case, you may be eligible to continue care at our Pay at Time of Service rate and will be charged the full cost of the appointment for any further late cancellations.

\_\_\_\_\_ **Tardiness Policy:** The appointments you schedule with your provider are your designated treatment times. As a result, tardiness will impact your care and must be avoided as much as possible. Appointments will not be extended to compensate for tardiness. After 3 tardy occurrences, a \$40 fee will be charged if you are 15 minutes late and an \$80 fee will be charged if you are 30 minutes late. This fee cannot be charged to insurance and must be paid on the date of your treatment. If you are 15 minutes late or more, you are still responsible for the full price of your appointment.

\_\_\_\_\_ **Collection Policy:** We charge 3% monthly interest for all unpaid balances over 90 days. If an account is over six months delinquent, it will be subject to legal collection with an added 40% collection fee. The key to avoid this situation is **communication**. WE WILL WORK WITH YOU! Just talk to us. If an account is sent to collections, your payment must then be paid directly to the collection agency.

\_\_\_\_\_ **Returned Check Policy:** Element Wellness & Sports Rehabilitation has a \$35 fee for all returned checks.

Please verify that you understand all of our office policies by signing and dating below.
